

## Classroom Parent Helper – Kindergarten

Classroom parent help is needed for CENTERS on Wednesdays and for Mass attendance on First Friday. Helpers work on Wednesdays and First Fridays for the entire class period.

All classroom parent helpers must be finger printed and have had a recent TB test, as well as, Sheild the Vulnerable certification. Documents of proof must be on file with the school office. You are welcome to work with the children as soon as the office notifies me that the documents have been received.

If you are able to help in the classroom, please complete the form below and return to kindergarten as soon as possible. I will develop a helper schedule for the year. I need help for CENTERS beginning Sept. 22<sup>nd</sup>.
