

# KINDER GAZETTE

## Arctic Book Cover

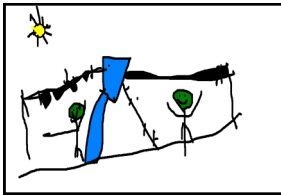

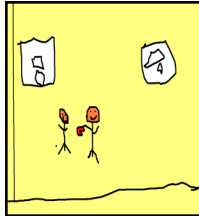

By Aedhan

We used crayons, pencils, and marking pens to make our cover for the Arctic Animal Book. I drew a sled with a dog pulling the sled and a man delivering a bag.

## Basketball in P.E.

By Teeg

Me and my friend are playing basketball in P.E. with Mrs. Gebhardt. We play fun games in P.E. We play tag games. We do stretching. We do victory laps.

## Kindergarten Recess

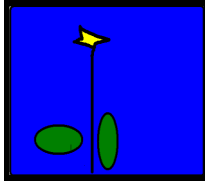

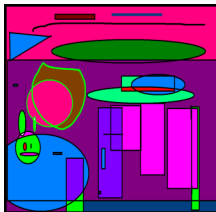

By Max

We have recess before snack time. You can play games. You could play on the play structure. You could play with the balls and the jump ropes. My favorite game to play is "transformers".

## Spanish Shapes

By Lexie

Some names of the shapes in Spanish are: corazon, zigzag, ovalo, circulo, rectangulo, triangulo, estrella, cuadrado, diamante, and luna. We find these shapes in the book at the Reading Area. We also learned about the oso (bear). We learned about our ojos and nariz and piernas, lengua, boca, pelo, sueter, chaqueta, mitones, and about blanco, negro and azul, verde, rosado, maron, morado, amarillo, and anaranjado and gris. We also learned the Spanish words for tomatoes, grapes, oranges, and asparagus.

## The Flower Center

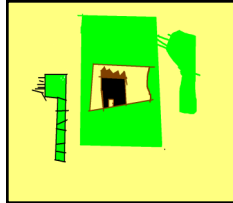

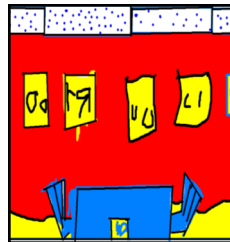

By Jake

We made a daffodil at Art Center. We needed to use one skinny green piece of paper and two fat green pieces of paper. Then we cut out a yellow flower and then glued a brown rectangle. Then we put the trumpet on.

## Rainy Day Recess

By Lauren

We are having recess inside because it's raining outside. We can play with dominos, puzzles, legos, Lincoln logs, blocks, and we can do art.

## The Dentist

By Kyle

We learned about the dentist and eating the right foods to make our teeth healthy. You only can eat a little candy and after you eat your candy, you need to brush your teeth. You need to brush your teeth a lot of times every day.

## Problem of the Day

By Ava

We had to solve the Problem of the Day at Table 1. Me and Breanna took a square piece of paper and we wrote the numbers 1 - 31. Then we put them in order. Then Mrs. Demichei took a picture of us. We explained how we solved the problem to the whole class.

## Saint Rose School

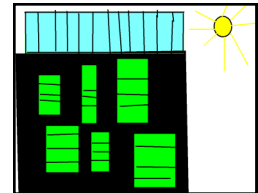

March 5, 2010

## Days in School

By Mary Kate

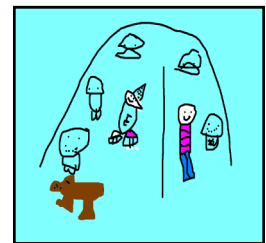

We use counting sticks to find out how many days we have been in school. We record the numbers and we count sticks in the pockets.

## Garden

By Zachary

This is the garden. It is almost Spring. It has daffodils and asparagus and apples and strawberries. It is usually sunny outside

## People at the Olympics

By Breanna

Ms. Brown gave us a magazine about the Olympics. It had pictures of the people at the Olympics. They do bobsled, ice skate, snowboard, and ski.
