

St. Rose School Parent Guild

September/October 2010

Welcome to the 2010-2011 school year!

This school year promises to be another fun-filled and rewarding year. The St Rose School Parent Guild is grateful and thankful for each parent's support and commitment, as well as your service to the school. The St Rose School Parent Guild is planning several fundraising events throughout the year that will support our efforts in keeping tuition costs down and provide for many great school programs and activities.

Our ongoing fundraisers: Innisbrook, is beginning. Please take a look online at www.innisbrook.com. You support when purchasing your yearly wrapping paper and specialty products is much appreciated. Fundraising News

Hello St Rose School Families! We look forward to representing you as the Fundraising Chairs 1 & 2 on the St. Rose School Parent Guild. This year St Rose School will be celebrating it's 50th Anniversary and Parent Guild has spectacular events to commemorate this milestone.

In order for those events to be successful, it takes much planning, strategizing, and hard work by the Fundraising Chairs and their support Committees. We are committed to partnering with each Fundraising Chair to support their efforts and report their success back to the St Rose School Parent Guild. Our objective is to assist each Fundraising Chair exceed their fundraising goals while maintaining a fun co-operative environment for everyone.

In addition to our major events, we have special Social Fundraising events planned once a month which will give new families the opportunity to get to know the St Rose community. Our first Social Fundraiser was held at Nuyo Yogurt, August 19th and it was a hit! Thank you to the families that participated. A very special thank you to Kimberly and her staff at Nuyo! Everyone had a great time!

We invite you to join us at Chevy's, Wednesday, September 22nd for our September Social Fundraiser. The Roseville Chevy's on Douglas Boulevard will be generously donating 25% of all food sales between the hours of 5pm and 9pm. The Chevy's September Social Fundraiser Flyer enclosed in your September Messenger will need to be presented at time of purchase. And... remember Scrip... we love to double-dip! We look forward to seeing everyone there!

Please feel free to contact either of us with any suggestions for future fundraising opportunities. Here's to a wonderful 50th school year!

Sincerely,

Lisa Chester

Service Coordinator Update

Welcome to the 2010/2011 school year at St. Rose School! I'm delighted to have the opportunity to work with each and every family through Parent Guild to fulfill your service positions for the coming year. We have spent considerable time working with the committees, chairs, and co-chairs to better understand the positions and specific needs of each committee, as we are continually assessing how we can work more effectively and efficiently. What we have learned in the past is that change is necessary to continue to improve. While there are many things we do well and have done well, we believe we also have a tremendous opportunity to continue to improve. Please review the Parent Guild (PG) Service positions for clarification and description of your positions and work closely with your Chair and Coordinators to fulfill your responsibilities.

We are delighted and appreciative that you continue to support the school through your volunteerism and through your attendance at the Parent Guild events and meetings. If everyone does "their" part, we will be well on our way to success! We also hope you will find a great sense of community and camaraderie that is developed with knowing the other families of St. Rose School and the children we serve. We thank you in advance for your support, help, and expertise and look forward to a great year ahead for our children.

But speaking of SERVICE As many of you know, the Auction has "MOVED HOME". This change came after the Service Positions were finalized in March 2010 and we have had to ADD a few positions (Set Up Team, Clean Up Team & Server Team). We therefore, ask if you are willing, able, and have the desire to help the school and our children, that you support our efforts by assisting the Auction. Your support is **NEEDED** to make this a successful event. Please email me (Stephanie.wilkes@hilton.com) or call me @ 916-765-3632 with your availability for an added position for your family. Again, we thank you in advance for your support.

I personally look forward to working with each and every one of you this coming 2010/2011 school year and thank you for your service to the children of St. Rose School.

Sincerely,
Stephanie K. Wilkes

Room Parent News

We have a wonderful team of room parents who are ready to make this a fun year for all of our children and teachers. I would like to thank all of our new St. Rose School Room Parents who participated in the Adopt-A-Family Program and the Koffee Klatch. Our new families have expressed how welcomed they feel and are glad to be a part of such a friendly community.

Our first meeting of the year was loaded with information. Your room parents will be ready at Back-to-School Night with sign-up sheets for many opportunities to help with the class throughout the year. Below is a list of this year's room parents. Please contact them with questions regarding field trips, classroom parties, etc. We are all looking forward to another great year.

God's Blessings,
Jenna Brunello

2009-10 Thank Yous!

Greetings! One of the greatest gifts we can give to others is our time and talents. Your family's generous gift of volunteering "time" to St. Rose School is "priceless". Your good works honor your child/children and the school you have chosen for them. Without the commitment and involvement of each family we would have never accomplished the many goals, objectives, and visions set forth this past school year. We have accomplished many great things and thank each and every one of you for helping us. We see the many successes, see areas of opportunity and will strive to make the continued improvements for the future. During last school year 2009-10 many of our families provided service above and beyond the 35 point requirements. Thank you for a fabulous year and for your service to St. Rose School. We look forward to 2010/2011 with enthusiasm and excitement to make it another great year for our children.

Thank you to the families who have met the requirement and to those families that have served above and beyond the minimum requirement. We recognize your extra effort, commitment, and service. Let us recognize and thank the efforts of the following families that have served above the minimum requirements.

Thank you,
Stephanie Wilkes
